Discovery Clean
Water Alliance

The Discovery Clean Water Alliance was formed through an Interlocal framework established under the Joint Municipal Utility Services Act (JMUSA), RCW 39.106. Interlocal Formation Agreement (IFA) Section IV.B provides for a Board of Directors to serve as a governing body for the Alliance. IFA Section IV.A and the adopted Board Rules and Operating Procedures provide for the appointment of one elected official from each Member agency to serve on the Alliance Board of Directors for a term determined by the Member. An annual Director election of Board Officers is held at the first regular meeting of each year and each Board Officer serves a one-year term in the position, from the date appointed.
